Frame Corner

Where the Art is in the Frame

At the Frame Corner, we believe framing is an extension of the artwork itself. For more than three decades, we've created frames as beautiful as their contents. Our artists will help you select the right matte, frame finish and molding to create a work of art that lasts for generations.

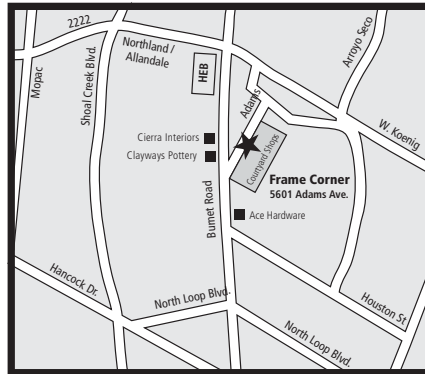

We offer:

- Custom mirrors, frames, shadow boxes and finishes to match your décor
- Experts in conservation, specialty finishes and minor restoration
- The largest molding selection in Austin
- Traditional, glass and French line matting
- Hanging service
- Free delivery for oversized pieces
- Competitive pricing
